

FRANCE YIELDS TO THE KAISER

Forced to Recede From Her Position in Morocco.

STEP MAY OFFEND ENGLAND

German Government Consents to Negotiate Direct With Rouvier, Waiving Obnoxious Conference—France to Meet German Demands.

Paris, June 20.—Germany has consented to negotiate the Morocco question with France. The French government has indicated its willingness to meet the German demands in a most conciliatory spirit. An international conference may or may not follow, but it does it will be on lines previously agreed upon by Germany and France and will not open the whole question of the destiny of Morocco, as the Sultan has expected it to do.

France agrees that the status quo shall be maintained and that the Sultan's sovereignty shall be unimpaired. France cherishes the hope that the terms of the Anglo-French-Spanish-Italian agreement as to Morocco may be largely maintained; but this is not the German view. In a word, France is determined at all costs to avoid a war. Germany's consent to negotiate directly with France may be interpreted as a willingness to abate her provocative attitude and at least to postpone a war crisis. The French government hopes that England will not oppose a settlement upon any terms possible.

The French reply to the other Ger-

man demands is not known yet, but there is the highest authority for believing that Premier Rouvier will meet the German Emperor's wishes in the most conciliatory spirit possible. If the Emperor secretly desires war he, of course, will have it, but France will bear much in the way of provocation before she will be driven into retaliation.

Cologne, June 20.—The Cologne Gazette said yesterday that Germany, while upholding the integrity of Morocco, believes in the necessity of the various powers each regarding its own special interests in Morocco, thereby insuring peace and order. Germany acknowledges France's special rights, the details of which can be set forth at the proposed conference.

The opinion prevails, says the Gazette, that the friendly spirit in which the subject of the conference was discussed by Prince von Radlin, the German ambassador to France, and Premier Rouvier, warrants the belief that a complete understanding will be reached.

Berlin, June 20.—Referring to reports concerning the Emperor's financial position, the Allgemeine Zeitung says: "We are authorized to affirm that the Emperor has not borrowed a single penny."

LEADERS ARE COMING DOWN

New York Giants Lost to Cincinnati Yesterday.

WHILE PITTSBURG WON

Chicago, by Defeating Philadelphia, Steps Into Fourth Position and the Phillies Go Down to Fifth — A Close Race.

The National League is getting to be a pretty contest after all, with the slump of the Giants and the splendid fight of the four clubs next in order. These four clubs, Pittsburgh, Philadelphia, Cincinnati and Chicago, may give New York a rub for first place before the season ends. As it is now they are sweeping down on the hitherto invincible Giants, the leader of the quartette being only about one hundred points ahead of Pittsburgh. Philadelphia, by losing to Chicago yesterday, dropped third place to Cincinnati and was also swept aside by Chicago. Only 21 points separate these four teams.

A great deal of credit for Chicago's victory yesterday is due to Ed. Ruelbach, the former integrity star, who let down the Phillies with only three hits. This was Ruelbach's eighth straight victory. By defeating Philadelphia, Ruelbach broke Pittsburg's winning streak.

In the American League there was the usual order of events. The Cleveland continued their winning streak and Washington their losing streak, the former defeating the latter with ease. Cleveland now has a strong grip on first place, with Chicago and Philadelphia making a good try for it. The Champions didn't play yesterday but went out to try the New Bedford.

Corinthian Football Team Coming Across

London, June 20.—The Corinthian association football team will sail August 3 for a short tour of the United States and Canada.

SPORTING NOTES.

Hardwick and Cabot played a twelve inning game of ball at Cabot Saturday, the former winning by the score of 6 to 5. Errors by Hardwick's infield nearly lost them the game.

Eaton who has jumped the Nashua, N. H., team for the Inter-city team, is a good one, according to reports. One newspaper man says: "He is considered a loss to the home team, and his action was a great surprise to everybody."

Pitcher Coombs of the Colby College team from Waterville, Maine, is coming to the Inter-citys for a trying out. In his last game against Bates College he allowed only one hit in eleven innings. Last year Coombs played with Northampton, Mass.

The line-up of the Wellington, Mass., team, which plays the Inter-citys tomorrow and Thursday is: Madden, center field; Spiller, short stop; Strobel, third base; Chapman, first base; Hall, catcher; Duffy, second base; Chandler, left field; Martell, right field; O'Conner

The Waubesa Golf club of Burlington takes exception to the report that they were defeated by the Country club team at Montpelier Saturday, 10 to 2. They claim the old method of scoring was used, which is now discontinued. By the method now in use in matches between two teams, the team that wins the match scores 1. As each team won two matches Saturday the score should have been 2 to 2.

KING GREETS CANADIANS.

A Large Delegation Is Welcomed to Windsor.

Windsor, England, June 20.—King Edward and Queen Alexandra gave a hearty welcome yesterday to 103 Canadian women and the 175 members of the Canadian Manufacturers' Association who arrived at Liverpool Sunday on board the steamer Victoria from Montreal and Quebec and whose presence at Windsor Castle was commanded for yesterday. The party were met at the railroad station by seventy carriages provided by the king and were shown the various sights. The visitors were then received on the east terrace of the castle by their majesties, the king saying, to that all could hear: "Welcome to England; welcome to Windsor. I hope you will all enjoy your visit to the old country." The visitors then sang the national anthem.

COSSACKS KILL SOCIALISTS.

Shoot Down Two and Wound Thirty-six in Lodz, Poland.

Warsaw, Russian Poland, June 20.—Two persons were killed and thirty-six were wounded in a conflict between troops and Socialists at Lodz Sunday.

A procession of 2,000 socialists carrying red flags was stopped by Cossacks. The Socialists then fired, and the Cossacks replied and charged with drawn swords into the thick of the procession. The disturbances were renewed yesterday morning at the factory in the suburb of Baluty, which the troops have now cut off from communication with Lodz.

Prince Carl for King.

London, June 20.—A despatch to the Daily Mail from Copenhagen says there is excellent authority for stating that a majority of the Swedish Riksdag is ready to agree that Prince Carl, third son of King Oscar, shall be King of Norway, provided Norway demolishes the fortifications on the frontier and makes an arbitration treaty with Sweden.

GLOVER GUILTY, SAYS JUDGE.

Undecided How to Punish Man Who Burned Child's Fingers.

South Orange, N. J., June 20.—Justice Andrew Taylor said yesterday that he had carefully considered the evidence in the case of William H. Glover, who had admitted burning the fingers of his children in order to teach them not to play with matches, and had decided to find him guilty of the charges. The justice added that he was undecided whether to fine him or send him to jail. Glover was placed on trial on June 8. He denied that he had intended to do his children any harm.

Denies Blackmail Charge.

New York, June 20.—Thomas P. Wickes, lawyer and a member of a number of the prominent clubs, who was indicted on the charge of blackmail in connection with the "Lewis Jarvis" letters, was arraigned yesterday before Justice Davy, in the supreme court. He pleaded not guilty.

Argument on the motion to fix a date for the trial will be made on Thursday by mutual consent. It is believed that a speedy trial will be held.

NEW HOPE FOR MRS. ROGERS

Another Appeal to be Made in Case by Atty. Flinn.

ONLY DELAY IS HOPED FOR

Yet There Are Those Who Claim Gov. Bell Won't Dare Allow Execution —Mother Sees Daughter for Last Time.

Windsor, June 20.—A new and last hope for Mary Mabel Rogers, under sentence to be hanged next Friday developed yesterday, when Atty. E. B. Flinn of Springfield came to the prison shortly before 9 o'clock and never left the condemned woman until noon.

Lawyer Flinn was not altogether communicative, but before he left he obtained the signature of Mary Rogers to a declaration and petition upon which he proposes to base an application for writ of habeas corpus to the circuit court of the United States over which Judge Wheeler presides at Brattleboro.

The counsel assured Mrs. Rogers that there were still one or two points to be raised in her favor which had not been touched upon and that the most would be made of them.

Should application for writ of habeas corpus be made on Wednesday or Thursday, it would of itself amount to a stay, since no execution could be had until after hearing and decision upon the petition for the writ.

Atty. Flinn is the counsel who drew up the petition for the sheriff at his meeting at the Windsor Hotel last February and appeared in their behalf before the Governor. He has not been of the counsel for the petitioner in the writ of error recently refused by the supreme court of Vermont, although, as understood, his action of yesterday morning received the sanction of Atty. Moloney, Senter and Leavitt, who handled Mary Rogers' case before the supreme bench of the state. He is energetic and active, and much reliance is placed upon his efforts in support of this forlorn hope, as it were.

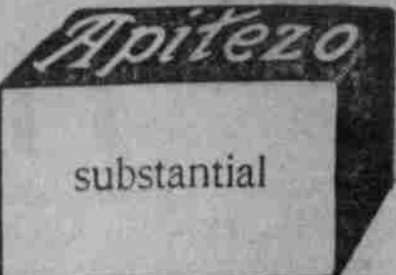

Supt. Lovell of the state prison yesterday noon expressed the belief that at the last moment something would happen to save off this hanging.

"Gov. Bell isn't going to hang that woman; he knows he isn't" is the frequent expression on the street in Windsor.

"He knows better," said another, "because if he does hang her, there will be something doing," and he can read the handwriting as well as most people."

Mrs. Callahan and her daughter visited her daughter Mary in prison yesterday afternoon. She came out of the State prison at 2:30 after having spent nearly two hours in the death chamber, and at 2:55 left for her home in Hoosick Falls. Neither mother nor sister will be allowed to see the condemned woman again. With their departure Mrs. Rogers will see no one but her father, confessor, possibly her counsel, the prison matron and the men who are guarding her, until she hears the grim summons to walk the winding way that leads to the death chamber.

Fr. Delaney announced that he would not attend the execution in any event. "I am opposed to capital punishment," he said, "I protest against this execution, although I believe no command."

ment may be broken without its punishment. But I will register my protest against this hanging. There is no power to compel me to go with this woman to the gallows. I will not go, neither will I march her there. Having confessed and received the peace of Almighty God, that is all that I am required to do for her. I shall see her on Thursday, but will not be in the prison on Friday."

FOLK WILL ENFORCE THE LAW.

Racetrack Gambling Will Not Be Tolerated in Missouri.

Jefferson City, Mo., June 20.—Governor Folk, after a conference with Attorney General Hadley, sent a letter to Sheriff Herpel of St. Louis county, ordering the arrest of all race-track followers who bet on horses in violation of the anti-betting law. Governor Folk says in the letter:

Information having come to me that a number of persons have been openly committing felonies in St. Louis county, by registering wages or bets on horse races in defiance of the law and that it is proposed to continue this felonious conduct, which condition is one that cannot be and will not be tolerated in Missouri, you are hereby directed to summon a sufficient number of deputies to arrest all those participating, either as principals or accessories in these crimes and to call on citizens, if necessary, to aid you in suppressing these violations of law. You will kindly give this your immediate attention, and if the local facilities are not enough to enable you to uphold the authority of the state, the executive will furnish such help as will effectually sustain the reign of law.

BREAK IN CHICAGO STRIKE.

Old Positions Being Sought by Teamsters.

Chicago, June 20.—A pronounced break in the ranks of the strikers occurred yesterday. For the first time since the strike began many weeks ago, there were numerous instances where striking teamsters applied individually for former positions without waiting for the strike to be formally declared off. This was especially true at the lumber yards. George K. Wenig of the Wenig Teaming company said yesterday: "Many of my old teamsters have asked for their positions. Not one of them said anything about deliveries to the boycotted firms. I have done nothing in the matter as yet and shall not do anything until I consult with other employers."

MURDERED AT 93.

Aged Man Killed—Slayer Claims Self-Defense.

Murphyboro, Ill., June 20.—While two small boys looked on yesterday in a blacksmith shop in the country four miles north of here, Allen Dukes attacked and killed Thomas J. Snider, a blind man 93 years old at one time a wealthy resident of this county. Dukes and Snider both lived with Henry Imhoff, a farmer, and it was while the family was preparing to attend the funeral of a relative that the murder was committed.

No motive is known, although Dukes, who was at once arrested, claims self-defense. The coroner's jury brought in a verdict of murder.
